Work Experience

Front-End Engineer at [SMSAMI Inc](#)

June-2023 --- Present

Crafting user-friendly web interfaces with Angular expertise for seamless web experiences.

- Developed and implemented new Angular-based features at the client's request, resulting in an increase in user engagement and a 20% improvement in customer satisfaction.
- Collaborated with the back-end development team to build a RESTful API, which improved the overall application performance and reduced load times by 30%.
- Created self-contained, reusable, and testable modules and components, resulting in a 30% reduction in development time and a 15% increase in team productivity.
- Participate in the agile software development cycle to develop microservices using Angular Libraries that utilize REST API's.
- Collaborated with the QA team to define test cases, metrics, and resolve questions about test results.
- Recommended business process flow improvements and clearly communicated the problem/resolution process to project management.
- Led a team of 4 junior developers in overseeing the development of several key features.

Projects (I am part of at SMSAMI):

[E-Retail Point](#)

E-Retail Point provides a state-of-the-art point-of-sale cloud base solution.

[Fly-Away Hub](#)

Flyaway Hub is a cloud-based management information system (MIS). Flexibly designed according to the demanding needs of the Aviation Industry.

Angular Developer at [Welltime Ltd](#)

June-2022 --- May-2023

Crafted user-friendly web interfaces with Angular expertise for seamless web experiences.

- Implemented interactive user-facing features using Angular, ensuring a smooth and efficient user experience with maximum scalability.
- Utilized effective debugging tools to identify areas of performance issues, resulting in improvement of client-side scripts by 25%.
- Reduced repeat work by establishing a coding style and its implementation, resulting in an 10% increase in developer performance.

Projects (I was part at Welltime Ltd):

[IntelligentForms](#)

A next generation paperless system for UK Dental Industry.

Education

Master of Science in Computer Science

[Institute of management and sciences, Peshawar](#)

Bachelors of Science in Computer Systems Engineering

[University of Engineering and Technology, Peshawar](#)

Certifications

<i>HTML,CSS AND JavaScript:The Complete Web Developer</i>	Udemy
<i>JavaScript Essential</i>	Udemy
<i>Angular-The Complete Guide</i>	Udemy
<i>Reactive Angular Course with RxJs</i>	Udemy
<i>The Complete Node Js Developer Course</i>	Udemy
<i>Creating a REST API with Node.js</i>	Academind

Fellowship Experience

AMAL ACADEMY

Lahore, Pakistan

Education startup funded by Stanford University that teaches professional skills to students and corporations.

- **Communication:** Selected from over 4,500 applicants for an intensive 3-month Fellowship funded by Stanford University and PepsiCo Pakistan.
- **Skills Development:** Investing 150 hours to develop communication, leadership, problem-solving, and teamwork skills.

Skills

- Good understanding of overall web design including basic usability, accessibility, industry standards, architecture, and navigation.
- Strong knowledge of **JavaScript (TypeScript)** with OOP.
- Good knowledge and working experience in **AngularJS**.
- Extremely strong **communication skills**. Take task ownership and have a strong desire to learn.
- Strong **CSS, SASS, Bootstrap, Angular Material** knowledge.
- Efficient with **unit testing** (Jasmine, Karma).
- Strong understanding of **Redux** (State Management) and advanced libraries like **AG-Grid**.
- Able to quickly grasp new concepts, incorporate innovations and stay up to date with industry and business directions.
- Experience with general User Experience concepts and the ability to design highly effective user interfaces.
- Strong knowledge of modern frontend technologies, best practices, and load speed optimization techniques.
- Experience in creating self-contained, reusable and testable modules and components.

Hobbies

- Team sports
- Chess
- Fantasy Television Series
- Digital Art
